## THE FOUNDER

*Ashiyan Medical College*

*Alhaj Md. Nazrul Islam Bhuiyan, the founder of Ashiyan Medical College (AMC), is a well-known personality in Bangladesh for his immense contribution in various fields, particularly in Medical Education, Real Estate, Construction, Textile Industries, Daily Manabkantha, Ashiyan Food and Beverage. The establishment of "Ashiyan Medical College and Hospital" is a monumental and glaring example of his pioneering role in the Medical Education of Bangladesh.*

*Poor medicare facilities available in the country, particularly in the rural Bangladesh, have promoted him to embark upon this gigantic project of this most modern Medical College & Hospital. This has been made possible due to his untiring efforts, indomitable courage and determination without any financial assistance from anywhere. By his ability and sincerity he has ventured to take the challenges of the healthcare matters for the millennium by serving 160 million people of Bangladesh.*

### THE HONORABLE CHAIRMAN

*Ashiyan Medical College*

Alhamdulillah. By the grace of Almighty Allah, it is my immense pleasure to welcome the 8<sup>th</sup> batch of MBBS students in Ashiyan Medical College.

The Ashiyan Medical College is going to embark on its mission of creating a state-of-the-art center of Medical Education in Bangladesh with a huge infrastructure, cutting edge technology and a highly integrated and comprehensive information system, along with a quest for exploring and developing newer therapies in medicine. As one of its kind facility in this part of the world, Ashiyan Medical College and Hospital will integrate modern treatment facilities to provide accessible and affordable healthcare.

At the Ashiyan Medical College and Hospital, we have two key goals. First one is "State-of-the-art of Medical Education". The Ashiyan Medical College has adopted a unique educational philosophy. Our academic programs are based on a multi-disciplinary approach that unifies the fundamentals of medical science, clinical practices and today's information technologies. Second one is "Serving the people by providing cost-effective healthcare in a patient-friendly environment".

Our sprawling campus, with more than 450,000 sq. ft. of buildup area spread on 20 acres of land within close vicinity of Dhaka, surrounded by water body and greeneries in Barua, Khilkhet. The emphasis is on the natural environment and the ambience.

With the grace of Allah, we will continue to move ahead with the sincere desire to buildup a strong educational and healthcare related infrastructures for the socio-economic welfare of the nation.

**Alhaj Md. Nazrul Islam Bhuiyan**

### THE HONORABLE DIRECTOR

*Ashiyon Medical College*

It is my immense pleasure to have the opportunity of welcoming the students of 8th batch of Ashiyon Medical College. I hope that the new students will engage their heart and soul to achieve the best outcome from this college in order to alleviate human sufferings from diseases and disabilities.

Ashiyon Medical College is located on a vast area of land in the outskirts of Dhaka city on the bank of River Balu tributary. Here atmosphere is quite and calm, free from noise. So students will be in a homely environment which will help them to learn attentively the vast course of medical science.

Health of the nation is one of the priorities of the Government. The mission of AMC is to serve the health needs of the people by educating healthcare practitioners/ doctors according to the highest international standards. Our college is proud of having a large number of scholar teachers with vast teaching experience. Modern teaching methodologies are applied here. College library is air-conditioned having a vast collection of latest text books and journals. I can assure the students that the graduates of AMC will be able to serve the ailing humanity all over the globe.

I warmly welcome the befitting future doctors and hope your joining will give us further inspiration and remind us about our commitment in services for humanity.

A handwritten signature in black ink, appearing to read 'SN'.

**Shamima Nasrin**

### THE HONORABLE DIRECTOR

*Ashiyon Medical College*

My heartiest gratitude to Almighty Allah who by His kindness entrusted me with the honour to run this Medical College & Hospital. Ashiyon Medical College is enriched with modern amenities to ensure best medical treatment by a group of experts and efficient Doctors, Nurses, Technologists, etc.

Ashiyon Medical College started with a vision to provide broad based educational and professional facilities for selected medical students for MBBS degree to attain knowledge and to build themselves as a generation of highly qualified and dedicated Doctors. The college has gained much name and fame which in turn entailed us to proceed with admission of 8th Batch. Having been enriched with academic facilities with renowned senior Professors and also energetic & dedicated young teachers, hostel facilities for both male and female students, extra academic cultural and refreshment facilities, AMC has an excellent opportunity for students of MBBS course. The Medical College is furnished with all Basic Medical Science faculties along with general as well as special clinical departments like Cath-lab, CCU, ICU, NICU, Dialysis, Laparoscopy etc.

Our endless efforts will be continued to make Ashiyon Medical College & Hospital even more standard and modernized. I expect that the students of 8th Batch will be able to match with the lovely and pleasant atmosphere of the College & Hospital with necessary supports and co-operation of fellow students, respectable teachers and other associates.

**Md. Saiful Islam Bhuiyan**

### PRINCIPAL

*Ashiyan Medical College*

The Ashiyan Medical College (AMC) is a renowned private non-profitable organization under the umbrella of Ashiyan Education Ltd. The college is located on a vast area of land just outskirt of Dhaka, on the bank of river Balu tributary, only 10 minutes drive from Hazrat Shahjalal International Airport and is free from hustle-bustle of Dhaka mega-city metropolises. Its congenial atmospheres are conducive for learning and living.

Since its inception in 2012, the college has been running in full swing. The college is proud to have a number of finest and scholar teachers with extensive teaching experience, modern teaching and library facilities. 7th batches are already running and AMC is going to admit its 8th batch of students in MBBS course. I hope that the new students will engage their heart and soul to the best outcome from this Institution to alleviate human sufferings from diseases and disabilities.

Health of the people is one of the priorities of the Government. The mission of the AMC is to serve the healthcare needs of the people by educating health care practitioners according to the highest international standards and stimulating innovation through research. I can ensure the graduates of AMC will serve the ailing humanities all over the globe.

We are now ready to welcome the upcoming 8th batch of local and foreign students in the Ashiyan Medical College in the current academic session 2019-2020.

### **DIRECTOR**

*Ashiyon Medical College Hospital*

I am honored and blessed to serve as a Hospital Director of Ashiyon Medical College Hospital (AMCH). I look forward in many different ways. We will serve, implement and interact this year at all phase.

Over the last 7 (seven) years, AMCH has become an Institute of Medical Science and Health Care Provider of Bangladesh. The mission of AMCH is to serve the health care the needs of people by providing highest standard education, training and research of health care practice. Our college is proud to have enriched academic facilities supported by experienced and well known Professors and loyal teachers. Our students enjoy the residential privilege at all levels.

AMCH is ready to serve the people always by a group of highly skilled and expert doctors, nurses, technologists and allied.

This hospital delivers several health services along with specialized medical and surgical facilities by accommodating ICU, CCU, Dialysis Center, Cardiac Cath Lab and Laparoscopy.

I am excited to take the challenge of finding new and practical ways to make this Institute a great one, even much more better than before.

It is with great excitement and tremendous enthusiasm that I am hereby continuing to work with students, doctors and staffs to make this AMCH a world class Educational Institute and the best Health Care Provider of Bangladesh.

**Dr. Muhammad Mobarock Hossain**

MBBS (CMC), MD (Cardiology), ARDCS (USA),  
CRA (Canada), Dip.in TTE (Austria)

## PREFACE

Ashiyan Medical College (AMC), a dream of Ashiyan Group was established in December 2012, by fulfilling all the guidelines and criteria, set up by the Ministry of Health and Family Welfare. The Govt. was pleased to give permission for admission of 50 students in the first year MBBS course from the session 2012-13. Later on, the college has been affiliated to Dhaka University.

AMC is envisioned to be one of the leading private medical colleges in Bangladesh. Up to date teaching methods are being applied here by renowned teachers with extensive teaching experience. Students will experience a collegial environment with the glare of feeling of belonging, sharing and caring. Supporting staff are motivated to deliver their best services. The college management will constantly keep in touch with guardians informing them about the performance of their offsprings.

AMC is known for its unique focused teaching programs that cultivate the students' ability to achieve their potentials and provide an environment to progress at their own pace. Thus the young doctors will be able to manage patients of various types, to manage disaster situations, to undertake research activities. They will be valued contributors in health sectors of national and international community.

Director with Physicians of AMC Hospital

## BACKGROUND

Till now the available seats in medical colleges of public & private sectors together are far short of meeting the requirement of the country. In Bangladesh, a large number of students are willing to take part in the healthcare system, which is evidenced by the number of applicants for medical admission test. Unfortunately most of the eligible candidates are deprived from the opportunity of getting admitted in the medical colleges of Bangladesh due to lack of enough seats.

Hon'ble Ex-Vice Chancellor of Bangabandhu Sheikh Mujib Medical University  
in Reception & Orientation program, 2013 of AMC

**This results in,**

- Devastation of career planning of the eligible candidates, whose desires and dreams were quite appropriate and invaluable to the needs of the country.
- Migration of thousands of students for study abroad, resulting in constant drain of national economy.
- Increase of social strains of the families concerned.
- Long term deleterious consequences on national healthcare delivery system.
- Dependence on other countries for education and healthcare delivery, impacts over-shadows our image and dignity as an independent nation.

In this context, Ashiyon Medical College is a humble initiative to provide scope for the efficient candidates to contribute in healthcare delivery system.

Hon'ble Chairman (AEL), Ex-Vice Chancellor (BSMMU)  
Ex-Principal (AMC), DMD of Ashiyon Group

Hon'ble Chairman (AEL), Hon'ble Indian High Commissioner,  
Managing Director (AEL) & Others in a Program of AMC

## GOALS

Ashiyan Medical College is committed to provide excellent medical education programs that produce skilled, proficient and dedicated health professionals.

## OBJECTIVES

- i. To provide broad based educational and professional development for the medical students.
- ii. To help the medical students to acquire knowledge, skill and attitude to deal with the health problems of the country.
- iii. To build a leading institute based on recognized standard curricula.

## CAMPUS & LOCATION

A beautifully arranged modern campus with well-equipped academic and hospital buildings is situated on 20 acres of its own land, named Ashiyan Shikkha Nagar, Barua, Khilkhet, Dhaka- 1229, Bangladesh. It is only about 10 minutes drive from Hazrat Shahjalal International Airport, Dhaka. It is in between Lake City Concord & Pink City & nearby 300 Feet Purbachol Highway.

At present the college and hospital are housed in separate buildings. College premises consist of 4 units of 2 storied buildings with all modern facilities. Another 9 storied building is under rapid construction on a vast area, of which 2 floors are already completed. The various departments and wards have been setup and organized in a planned way to serve the need of a modern medical college & hospital.

In academic buildings, there are 3 air-conditioned lecture halls with multimedia presentation facilities, administrative block and a modern air-conditioned library with internet facilities for students of the college.

Ashiyan Medical College Hospital building is fully air-conditioned, well decorated and equipped. It accommodates OPD, Cabins, General Wards, Consultant Chambers, Operation Theater, ICU, CCU, NICU, Cath-lab, Dialysis unit, Laparoscopy set, Modern Diagnostic lab and Hospital Administration Office etc.

### LIBRARY

Fully air conditioned college library is situated at the 1<sup>st</sup> floor of administrative building. The library is a spacious hall, well furnished with comfortable seating arrangement and silent atmosphere. It provides seating arrangement of 300 students at a time & remains open from 8 AM to 8 PM of all working days. There is a separate reading room for the faculty members with internet facilities. It is run by the chief librarian with two assistant librarians & other staffs under the guidance of Library Committee.

The library is fairly enriched with collection of common text books, reference books, important national and international journals. Recently about 5000 current medical text books on different disciplines are collected.

### CAFETERIA

The Medical College has a well-decorated Cafeteria in College Campus. About 100 persons can take food at a time in the cafeteria. It is excellent for serving food such as breakfast, lunch, dinner and various delicious snacks.

### HOSTEL FACILITIES

Separate Boys' and Girls' Hostels are situated on the east flank of the campus adjacent to the college playground and enriched with dining hall, reading room and common room with indoor games facilities. An experienced supervisor is engaged to solve their day to day problems and priorities.

### PLAYGROUND

There is an open playground at the center of the college campus for playing football, cricket and other outdoor games. Last year, our students participated in inter-medical college cricket and football tournaments. They also played with some other cricket teams in this field.

AMC vs AB Bank Friendly Cricket Match

## COLLEGE ADMINISTRATION

Principal is the executive head of the college (AMC) and honourable Chairman is the executive head of the Governing Body. Other members of the Governing Body are according to the rules of Dhaka University. The college runs on non-profit basis.

Principal along with the academic council looks after human resource management, educational programs and maintains academic environment in the college. Head of all Departments, Professors, Associate Professors, Assistant Professors, Lecturers, Registrars, Assistant Registrars, Medical Officers & Concerned staffs help the Principal to implement academic programs and to maintain academic atmosphere of the college.

## ACADEMIC COUNCIL

The College Academic Council is formed with the Principal, Vice Principal and senior faculty members ranging from Professors to Assistant Professors of all the Departments. Academic Council is the highest decision making authority of the college regarding all academic activities, administrative and student matters specially student welfare related issues.

The decisions of the Academic Council are within the legal framework of the country and not in conflict with the rules of the Directorate of Health Services, BMDC & Dhaka University.

## ADMISSION INTO MBBS COURSE

### SELECTION OF CANDIDATES

Selection of students for admission into MBBS course depends on the basis of National Merit List which is based on results of SSC, HSC and admission test. Candidate will have to 40 marks in admission test. Separate merit lists of illegible candidates are published by the Director, Medical Education of DGHS both for Government and Private Medical Colleges. Selected candidates shall have to get admission by the announced date. Otherwise their selection may be cancelled and the vacant will be filled up by the candidates of waiting list.

### EXPENSE OF STUDY

Total expense for admission will be decided by the Govt. of Bangladesh. Tuition fees and all other fees payable at the time of admission will be notified by the college authority.

### BOND/UNDERTAKING

The candidates and their parents or guardians are required to sign bonds on non-judicial stamp regarding the terms and conditions of study, conduct and discipline during admission into the college.

### STIPENDS/SCHOLARSHIPS

Free studentship is available for 5% meritorious and financially insolvent students. Separate applications are to be submitted for this category. A separate committee formed by the Govt. will finally select the appropriate candidates.

## Criteria for admission of Foreign Students in The Non-government Medical Colleges in Bangladesh for 2019-2020 Academic Year Under Self- finance Scheme.

### 1. Equivalence of Foreign Degree

- Must have passed qualifying examinations (HSC/ 'A' level or equivalent).
- SSC/ 'O' level or equivalent examination passed not before 2017.
- HSC/ 'A' level or equivalent examination passed not before 2019.
- Minimum aggregated GPA in SSC or equivalent and HSC or equivalent: 8.00 (eight).
- Minimum GPA either in SSC or equivalent and or in HSC or equivalent: 3.0
- Minimum GPA in Biology: 3.5
- For calculation of GPA against the marks obtained in SSC or equivalent exam., only top 5 subjects are considered.
- Therefore, GPA in SSC or equivalent examination = Total marks obtained in top five subjects.
- For calculation of GPA against the marks obtained in HSC or equivalent exam., only 3 subjects (Physics, Chemistry and Biology) are considered.
- Therefore, GPA in HSC or equivalent examination = Total marks obtained in three subjects.

- For calculation of GPA against the marks obtained in HSC or equivalent exam., only 3 subjects (Physics, Chemistry and Biology) are considered.
- Therefore, GPA in HSC or equivalent examination = Total marks obtained in three subjects.

## 2. Application Form

Three (3) copies of duly filled application forms along with the following documents should be sent to the Ministry of Foreign Affairs, Dhaka:

### INTERNSHIP TRAINING

After passing final professional MBBS examination students have to enroll for one year log book based rotatory internship program. Within this one year 11 months and 15 days at medical college hospital and 15 days at UHC. Internship program will be more structured and supervised. It is compulsory to complete Internship Training Program designed by BM&DC to get permanent registration for doing independent practice.

The training is mainly designed to develop necessary skills and attitudes to deal with common health problems generally encountered in hospital and in community. This is structured and strictly supervised. The trainees will be entitled to appropriate subsistence allowance/ honorarium. The internship training is compulsory and a pre-requisite for obtaining registration from Bangladesh Medical & Dental Council.

The training consists of:

- ✓ 19 weeks training in Medicine & allied subjects.
- ✓ 19 weeks training in Surgery & allied subjects.
- ✓ 14 weeks training in Gynae & Obstetrics and Family Planning.

Visit of Bangladesh Medical & Dental Council Team to AMC

### INSTRUCTIONS FOR THE STUDENTS

1. Students are advised to carry their identity card while inside the college and hospital.
2. Students are advised to attend classes in clean and well dressed clothes with white aprons.
3. Fashionable dress, cosmetics, untidy hair, slippers are discouraged in the college & hospital campus.
4. Rings and bangles are impediment in the practical classes.
5. Smoking is forbidden in the college and hospital campus.
6. Environment should be kept clean. Students are advised to throw litters into the waste bins.
7. Pasting of posters and writing on the walls of the college and hospital premises are prohibited. Those are considered as act of indiscipline and offenders involved are liable to punishment.
8. Closing of gates or doors the college, hospital and department and creating obstacles in the normal functioning are act of gross indiscipline and students involved in such acts are liable to be expelled from the college.
9. All types of demonstrations, processions, shouting in the college and hospital premises are prohibited and students involved in these type of activities are liable to be expelled from the college.
10. Students must not misbehave with the staffs or employees of the college & hospital. Misbehavior is an act of indiscipline and liable to punishment.
11. Students are expected to maintain the highest standard in their academic and private lives. Loss of moral and spiritual values or addiction to alcohol and narcotic drugs are punishable.
12. At the time of admission into the college, students and parents/ guardians will have to sign a bond that students will abide by the rules and regulations of the college.
13. Every student shall have all the prescribed text books, dissecting instruments and medical equipments. The college will not supply these to the students.
14. In case of illness or other unavoidable reasons of absence, a written statement from the parent/ guardian should be presented to the concerned guide teacher & Head of the Department, who-in turn will submit it to the Principal for approval. In all cases leave taken will be at the student's own risk so far as percentage of attendance is concerned and even medical certificate will not condone any deficiency in attendance.

15. Cost of loss/ damage to college/ hospital property is liable to be realized from the student who is found responsible for the same activity.
16. Political activities are not permitted in the college.
17. To help and guide the students in academic matters like studies, examination, attendance, and conduct, batch students are placed under a teacher. Students are advised to meet their guide teacher whenever they require or asked by the teacher. Private tuition by faculty members is not allowed.

### CONDUCT/DISCIPLINE

All students are required to abide by all the rules and regulations of the college. Non-adherence to these rules and regulations makes the students liable to disciplinary action which may range from warning to expulsion from the college. Students of AMC are forbidden to organize union, association or society other than those set up by the authority in order to enrich their physical, intellectual, social and ethical developments.

Penalty/ penalties imposed on a student will be recorded in his/ her Transcript/ Testimonial. A student's name may be removed from college register under the following circumstances:

1. Remaining absent from classes for more than 3 months without any information.
2. Disciplinary ground on the advice of the Academic Council.
3. Non-payment of college dues within 3 months of due date of payment.

Foreign Students of Ashiyan Medical College (Session 2018-19)

## RE-ADMISSION REGULATIONS OF DHAKA UNIVERSITY

The Re-admission for First Professional MBBS group will be acceptable with the fresh batch within three years.

1. Re-admission for re-examination in first professional MBBS Examination is acceptable within two & a half years plus six months for refresher course.
2. Re-admission for 2<sup>nd</sup>, 3<sup>rd</sup> & Final Professional MBBS Examination will be acceptable within 05 (five) year.

If a student's name is removed from the college register due to non-payment of dues or punishment or cancellation of studentship, he/ she may be re-admitted provided he/ she pays full arrear dues and a fine of Tk. 10,000/- (Ten thousand) within 3 months of removal of the name from register. If a student remains absent for more than three months but less than twelve months he/ she may be re-admitted on the recommendation of the Academic Council on full payment of arrear dues plus a fine of Tk. 12,500/- (Twelve thousand five hundred). However if a student remains absent for more than twelve months he/ she will not be admitted into the college except on special permission from the Academic Council of the college.

## CONCLUSION

The College aims at improving the systems of medical education and health care delivery with the present day concept of medical education and training, which will have relevance to the need of the country. It is intended to bridge the gap between the need and resource for the development of health education, maternal and child welfare & other research to assist the government in its health sector.

### 1<sup>ST</sup> YEAR MBBS STUDENTS OATH

In order to promote the moral and intellectual development, to heal and to comfort the pain of humanity, I, ....., solemnly pledge in the name of Almighty that....

1. I will be trustworthy & will excel and take the responsibility for my actions abiding by the rules of the Bangladesh Government & Ashiyan Medical College (AMC).
2. I will condemn communalism, cheating and will abstain from deleterious and antisocial activities.
3. In all instances I will maintain a state of diligence and compassion towards my learning. I will also maintain unquestionable integrity in all my endeavours.
4. I will always remember that the privilege of learning medicine has been bestowed on me and I will uphold this noble profession. So, the learning of art & science of medicine will always be my foremost consideration.
5. I will be respectful to my teachers and patients, whose direct & indirect contribution will facilitate successful completion of my medical education.
6. I shall never let myself or my family, friends and fellow students use illegal drugs. I will not cover up or lie if any rules are broken.

I make this oath before this august gathering solemnly, freely and upon my honour.
